HOW TO MAKE THE ASK

You have the why...so how do you ask? It can be awkward, but keep the end goal in mind. The key to successful fundraising is knowing HOW to make the ask. Remember to consider all of the different circles of people you know. People want to support a cause that will make a difference and they especially want to support YOU. All you need to do is ask... But how? Sometimes, the best way to ask is to explain what YOU'RE doing. Lead by example and others will follow.

Who do you know?

Think about your personal relationships: family, friends and beyond!

- 1 Family: Think about your immediate family, but don't forget extended family as well (those that you may not see for birthdays and holidays)
- 2 Friends: Include your lifelong friends, BFF's and even your acquaintances. Think back to friends you had in grade school all the way up to today. Include your friends from Book Club, Mom's Night Out, or any other you belong to! Remember to check your Facebook friends!.
- 3 Community: PTA? Athletic Clubs? Bible Study? Any club you belong to or participate in - religious, political, volunteer, alumni, or civic - in person or virtual - include them all.
- 4 Local Businesses: Have a favorite coffee shop, book store, doctor, restaurant, gym, hair stylist, deli or one that you frequent regularly? Consider asking them to support you on this journey.
- 5 Ask your neighbors: immediately next door and around the neighborhood.
- 6 Connect with your current colleagues and reach out to former ones. Let them know what you're supporting.
- 7 Touch in with alumni from your alma mater and with business clients, contacts, partners, and vendors. You never know who is looking to support a good cause. Personal connections are the key to support.
- 8 Remember social media. Check out your own LinkedIn account. Search your contacts to identify who might be interested in supporting The Golden Lights Foundation.

How to ask for funds

How do YOU want to reach out to make the ask?

- 1 Phone
- 2 Email
- 3 In-person meeting
- 4 Social Media - Facebook, Instagram, LinkedIn, Twitter. If you go this route, consider creating a fundraising campaign through Facebook. You can choose your charity (Tiny Dancer Project) and spread the news!
- 5 Good, old fashioned 'Snail Mail' - because who doesn't love getting a personal letter in their mailbox?

HOW TO RAISE \$1000 IN 10 DAYS

Setting a goal and then reaching it can feel like an overwhelming task when you first get going. Here are a few ideas to get you started and help you reach or surpass your goal.

Day 1 \$25

Lead by example and make the first donation! Your network of friends family and co-workers will be more likely to support you if they see that you have given.

Day 2 \$125

Post a link to your online fundraising site on all of your social media platforms. Let everyone know that no donation amount is too small. Give an example like: 'If 10 of you give just \$10, together we can give pediatric cancer research \$100!'

Day 3 \$175

Ask your employer for a contribution from your company. Better yet, ask if your company will match what you raise! If they will, tell all of your connections that their gift will be DOUBLED by the generosity of your company! That's a win for ALL.

Day 4 \$425

Ask five businesses or companies that your company is connected to or works with to sponsor you for \$50 to raise \$250!

Day 5 \$450

Ask your company if you can host a dress down day in exchange for donations to The Golden Lights Foundation. If just five of your co-workers participate and donate just \$5 you can add \$25 to your fundraising goal!

Day 6 \$575

Reach out and connect with five members of your family. Ask for a \$25 donation from each. You will add \$125 to your total fundraising efforts!

Day 7 \$775

Ask 10 of your close friends to consider donating \$20 to raise an additional \$200.

Day 8 \$875

Talk to four of your neighbors. See if they will donate \$25 each. This will bring you \$100 closer to your fundraising goal!

Day 9 \$925

Ask 10 members from your club or place of worship if they will each give \$5. You will raise an additional \$50.

Day 10 \$1000

Ask three businesses you use a lot (coffee shop, dry cleaner, nail salon, hair stylist/barber, etc.) if they would contribute \$25 each. This will bring in the final \$75. Even better? Ask if they would be willing to have a change jar or DipJar for the The Golden Lights Foundation!
